

Prescription Refills

Most prescription refills, if requested prior to 3 p.m. can be handled on the day requested. We cannot take weekend, walk-in, or after hours refill requests. Please make sure you know the name of the medicine, the dose, the form (liquid or tablet), the date of the last refill, and the name and phone number of your pharmacy. It is in your child's best interest to be examined by a physician to determine the cause of your child's symptoms and the appropriate treatment. We do not call in antibiotics without seeing your child first.
